TESTIMONIAL

"I have been attending West Coast Elite for four years. In the first few years, I had a lot of questions! WCE was always very quick to respond and never seemed the least bit inconvenienced! As a matter of fact, just the opposite! Right away I felt like I had a personal relationship with WCE and they were happy to help me navigate the waters of attending a new Nationals. Right away, I loved how all teams were treated as important! It didn't matter if you were in the silver division or the gold, everyone was part of the gala and everyone had the opportunity to win a banner to display at their school. Adding the jackets a few years ago was an added bonus!"
