"The University Recruitment Experience was such an amazing addition to the event. As a freshman mom it gave me insight into what new opportunities could be offered to our dancers after high school. We are excited to continue each year until she's ready to decide what she wants to do next."

#### TESTIMONIALS

"The WCE Recruiting Experience was such a great event! Getting to connect with dancers on an individual basis while also getting to see them interact and work in a team environment was such a beneficial experience in our recruiting process." The Ohio State University, Asst. Coach

UCSD had a great time at the event. It was well run and the talent level was impressive. We had a few students from the college recruitment experience attend our spring clinic so there were clear successes with outreach! I enjoyed the mixer too and had great conversations with other college coaches and high school coaches! Katie Schneiderman UCSD

'Traveling all the way from Louisiana to California for the University Recruitment Experience, we weren't sure what to expect. The second we arrived, we were welcomed by all the staff and fett like we were part of the WCE family! We discovered incredible dance programs with tons of potential recruits, made many meaningful connections, and got to experience a well-run, full production event. We will be returning next year

and cannot wait to see what the URE and WCE has in store!" Kalyn Voisin- Louisiana Rain Cajuns

"University Row was an amazing experience as a parent. My dancer and I were able to have an in-depth conversation with each university or college that attended. As a parent, I learned so much about the college dance process."
